### **LCA WINTER SNOWSPORTS PROGRAM**

We are honored to have partnered with the Schweitzer Mountain Resort Snowsports School for 20 years to get our students outside and to learn or improve snow sports skills. Schweitzer provides local schools with a lift ticket, lesson, and equipment rentals at a greatly reduced rate to encourage participation in a sport that is part of the culture of the northwest. It is a great opportunity to take advantage of our seasonal snow and access to local mountains to stay active during the long winter months and to also get Physical Education credit.

For six Thursdays\* in January-February, students 6 years of age and older can participate in either skiing or snowboarding at Schweitzer Mountain Resort in Sandpoint, ID. The students in grades 5 to 8 are required to attend the first two days and the fee is covered in the cost of tuition. Participation in the remaining days is at the student's own expense.

If your child is in the 5th-8th grade and you will not be transporting your child(ren), transportation will be provided **but you must sign up prior to the season commencing so that we can plan for transportation accordingly.**

Winter Sports Program forms are updated each year by Schweitzer and will be available on the LCA website. Visit the Parents and Students page and click on "Forms" then "Winter Sports: All Schweitzer Forms."
